

WE'RE A TEAM

Like a finger and a hand
like an audience and a band
We're a team. aha, we're a team

like a table and a chair
like a comb in my hair
we're a team. aha, we're a team

like a teacher and a school
like a workman and his tools
we're a team. aha, we're a team

just like Stevie with a hit
like a pig in the shit
we're a team, aha, we're a team

chorus:

ooooh, make up your mind
we should be together
i knew it from the start
now and forever

makee

2 x

like a pimp and a hoor
like a thief in a store
we're a team. aha we're a team

just like holland and a dyke
like a Rolls and a sheik
we're A team. aha, we're a team

like an apple and a peach
like hawaii and a beach
we're a team, aha, we're a team

like a romance in the night
just like screwing, dynamite!
we're a team. aha, we're a team
